

Corrections

**On the identity of *Aleochara (Coprochara) pauxilla* (MULSANT & REY, 1874) (Coleoptera: Staphylinidae)**

CHRISTAN MAUS

In the conclusions chapter of the above publication (Beitr. Ent. **51** (2001) 1, p. 228), the synonymy of the taxa dealt with is tabulated in a misleading way. Correctly, *Baryodma pauxilla* MULSANT & REY, 1874 is a synonym of *Aleochara verna* SAY, 1836, whereas *Aleochara pauxilla* auct. nec MULSANT & REY, 1874 is conspecific with *Aleochara binotata* KRAATZ, 1856.

The list of synonyms is thus to be read as follows:

***Aleochara verna* SAY, 1836: 156**

*Aleochara pauxilla* MULSANT & REY, 1874: 443, **new synonymy**

***Aleochara binotata* KRAATZ, 1856: 106**

*Aleochara pauxilla* auct. nec MULSANT & REY, 1874
